***Orientation:**

Meeting with Dr. Huffman. In addition, review the DBP Training website (http://dbpeds.stanford.edu/education/dbp-resident-training.html).
Pay particular attention to Rotation Orientation page (http://dbpeds.stanford.edu/education/dbp-resident-training/orientation.html).
See Lynne Huffman (rotation director) to borrow a copy of DBP Handbook for Primary Care.
Assigned readings in DBP Handbook:

- Tutorial: Psych Testing and IEP - Chapter 67 School Failure
- Tutorial: Clinical Communication - Chapter 1 Talking with Parents, Chapter 5 Difficult Encounters with Parents
- Tutorial: Community Systems - Chapter 65 Prematurity Follow-Up
- Tutorial: Behavior Management - Chapter 14 Behavioral Management Theory and Practice
- Tutorial: Preschools - Chapter 68 School Readiness
- Tutorial: Cerebral Palsy - Chapter 34 Cerebral Palsy
- Tutorial: Pediatric Neuro Exam - Chapter 56 Motor Delays
- DBP Clinic HRIF - Chapter 65 Prematurity Follow-Up
- DBP Clinic YCP - Chapter 26 Autism Spectrum Disorders; Chapter 28 Treatment of Children with ASD; Chapter 53 Language Delays plus recent articles
- DBP Clinic MCP - Chapter 25 ADHD; Chapter 51 ID and Behavior; Chapter 52 ID Evaluation

****DBP Handbook chapters:** Discussion with Dr. Whitgob (DBP Fellow, ewhitgob@stanford.edu). Select a DBP case and identify related chapter in Handbook.

*****End-of-rotation:** Meeting with Dr. Huffman. Before in-person meeting, send learning portfolio components by email to lynne.huffman@stanford.edu.
At meeting, return text book.
