

## Local Resources, Advocacy Opportunities & More for COVID-19

**We encourage you to monitor the latest information and key messages being shared by the CDC, AAP and local health departments:**

- Visit [National AAP's Critical Updates](#) for the latest clinical guidance, recommendations from CDC, coding information, information on PPE, telemedicine and telephone care resources and more.
- For questions or comments related to the pandemic, email [COVID-19@aap.org](mailto:COVID-19@aap.org).
- AAP News: [Coronavirus disease outbreak coverage](#)
- AAP Red Book Online: [2019 Novel Coronavirus \(COVID-19\) Infections](#)
- CDC: [COVID-19 Information for healthcare professionals](#)
- World Health Organization: [Coronavirus](#)
- HealthyChildren.org: [2019 Novel Coronavirus \(COVID-19\)](#)

### **Addressing Local Needs & Questions:**

For Families:

- Nutrition: [Free School Meals from Northern California School Districts During School Closures](#)
- Learning Resources: [E-Learning, Activities & More Resources for School Aged Children](#)
- For Pediatricians:
- PPE: For PPE being allocated by the federal government, along with local directives and guidelines, we urge you to contact your [local County Public Health Departments](#)
- Maintaining Childhood Immunizations During COVID-19 Pandemic: [See CDC Guidance](#)
- ● Pediatric Key Clinical Strategies: [Adopted from CDC and California Department of Public Health](#)
